

HAPPY TO BE HOME LLC.

CRIMINAL BACKGROUND CHECK AUTHORIZATION FORM

A criminal background check is required for employment. This check into official public records will determine the existence or non-existence of any record of criminal convictions. Federal and state law provides that certain positions of employment within the State of Ohio are unavailable to individuals who have plead guilty and/or been convicted of criminal conduct, based on the nature of the criminal violation and/or the type of position being sought. Prior criminal convictions do not automatically preclude employment.
